This copyright compliance form must be signed for every course for which you have requested web hosting, scanning or multimedia services. This signature is required for electronic copy services. In compliance with the 1998 Digital Millennium Copyright Act and University of California Guidelines for Compliance with Online Service Provider Provisions of the Digital Millennium Copyright Act (<http://www.ucop.edu/irc/policy/dmccguide.html>), UCSC expeditiously takes action when notified of infringing sites located on the campus network

Note: If this is for a course website, we cannot make material available until your signature is on file.

In accepting material for course website and scanning, the FITC assumes that the use falls within Fair Use provision of section 107 of the U.S. Copyright Law (Title 17, US Code). Reuse of material for subsequent courses may constitute an infringement of Copyright Law.

To the best of my knowledge the planned use of the material is consistent with the Fair Use section of the Copyright Law and I have obtained any necessary permissions.
